**Kevin Modesti**

On September 16, *Daily News* editorial writer Kevin Modesti will take Valley Vote beyond the headlines for a look at City Hall's new composition and what the fresh faces mean for Valley residents. We are reserving extra time for your questions about public transport, development of the LA River and other issues of local interest.

A native and resident of the San Fernando Valley, Modesti came to the *Daily News* in 1985 to cover the Los Angeles Dodgers. Today he is part of an editorial Opinion board that writes editorials, endorses candidates and determines which local political issues merit closer attention.

The *Daily News'* current circulation is about 80,000. The nine-newspaper L.A. News Group, of which the Daily News is the flagship, has a combined circulation of about 425,000 (higher on Sunday). Because the LANG is counted as one newspaper for purposes of official circulation, the *Daily News* ranks as the ninth largest paper in the country.

Coffee and light snacks will be served starting at 7 p.m.

Valley VOTE Inc. is organized and operated exclusively for social welfare purposes within the meaning of Section 501(c)(4) of the Internal Revenue Code since 1-1-1998
